Academic Performance

View student assessment results and other aspects of school performance under the California Accountability System.

English Language Arts

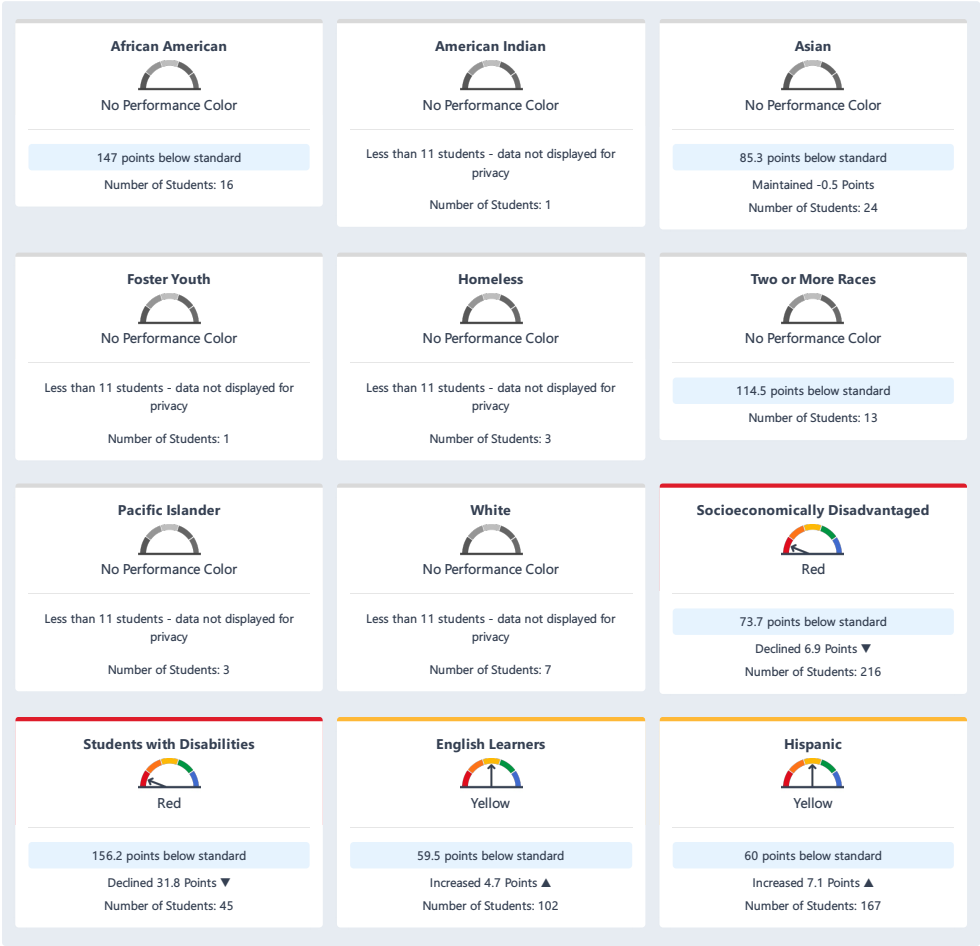

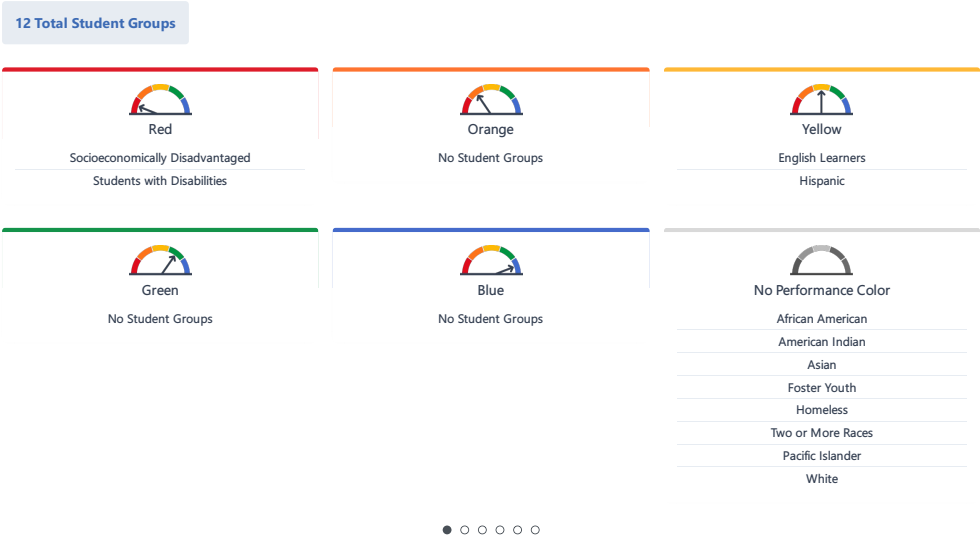

All Students

Explore how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

Student Group Details

All Student Groups by Performance Level

Distance from Standard measures how far, on average, students are from the lowest possible score for Standard Met. The Smarter Balanced Consortium has identified Standard Met as demonstrating the knowledge and skills necessary for students to be on track for college and career readiness at their grade level.

	2022	2023
All Students	68 points below standard	72.6 points below standard

English Language Arts Data Comparisons: English Learners

Additional information on distance from standard for current English learners, Recently Reclassified English learners (within the prior four years), and English Only students in English Language Arts.
